SUPPORT

REFRIGERATION & MACHINERY

The GEA Group is no longer supporting the spare parts for the Grasso MonoScrew (MS) compressor. The replacement shaft seal designed according to modern standards is now available for the users of MonoScrew compressors. Improved version of the seal is produced with modern and high quality materials, therefore this design is appropriate for all kinds of lubrication oil of today.

Improved version Shaft Seal for

Grasso MonoScrew compressors (MS)

**The MonoScrew Sealkit partnumber
7691951478630**

contains:

- * Stationary part (heat reduced)
- * Rotary part (heat reduced)
- * O-ring for Seal cover.

Your Grasso MonoScrew Shaft Seal advantages:

- * No dynamic O-rings
- * Less heat generation - therefore less blistering damages
- * Balanced
- * Easy mounting
- * Longer life span
- * Stock item.
